

An ideal primer to support
calcium release

1 L

IB - Calcium

Innovative Bio-Logics

IB-Calcium is formulated from a naturally sourced brine rich in calcium and magnesium and is suitable for use as a soil calcium primer as well as a foliar nutritional supplement for your crops.

Application Rates

In trench/broadacre: up to 20 L/acre (min 1:10 dilution)

Foliar/fertigation: 2 L/acre (min 1:15 dilution)

9.75% Ca 1% Mg
(typical)

Lot # CA-21040601

Exp: April 2024

Product must be diluted. Minimum dilution rates are for product:water. Mix thoroughly before use. Not likely compatible with phosphorus or sulphate inputs. Depending on soil or tissue tests, additional nutrients may be added as indicated. Always jar test mixtures prior to filling equipment. Once diluted, this product can be biologically active; therefore do not leave diluted product in equipment and clear/flush lines if it will stand for more than 8 hours. While this product has been filtered for ease of use, it is advised to filter it to the specifications of the equipment being used in order to avoid potential plugging of equipment. Do not ingest. Do not feed to livestock. Keep away from children and pets. Do not allow spills to reach waterways.

This label is believed to be reliable and should be followed carefully. Injury to the treated crop may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Innovative Bio-Logics or the seller. Failure to follow label directions may cause injury to crops, animals, people or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the listed purpose, subject to the factors noted above. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Innovative Bio-Logics' election, either a refund of the purchase price paid by the buyer or user for product bought, or a replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
